Version 30

Nokia 2626 is the swap replacement for BE claims in case of N3120 swaps are not available any more (for N2626 SWAP codes, please see corresponding RM-291 Service Bulletins).

N2626 SWAP packages include SWAP engine without A-cover (I001), C-cover (I020) and keymat (I002).

It is recommend to use "space blue" covers and "blue" keymat parts for N2626 swaps in any case of N2626 is used as a replacement for N3120 swaps.
